

BATHROOM REMODEL

We created custom cabinetry, replaced the old countertop with quartz, removed the previous lighting fixtures, and installed smart-lit individual mirrors above the double sink.

BEFORE

AFTER

We replaced the floor tiles and completely removed the shower to create a spacious walk-in closet.

BATHROOM REMODEL

We removed the bathtub and created a walk-in shower with gorgeous tilework, transforming it into the statement piece of the bathroom and elevating the entire space with a stylish, modern feel.

BEFORE

AFTER

We removed the door enclosing the commode and added cabinetry above it for additional storage and a more streamlined look.
